Who we are

Sistema Turismo is an Italian company that receives students from all over Europe and organises for them work placements in different vocational areas and learning outcomes assessment following the European Credit Transfer System for Vocational Education and Training (ECVET) procedure.

Our **mission** is to provide quality training experiences in order to increase beneficiaries' career prospects and personal prosperity.

Our agency in **Rimini** deals with hundreds of participants every year, from all over Europe, providing them with the best training experience, as well as a multicultural environment.

We also organise projects in our office in **Potenza**. In this branch our main activities are marketing and the organisation of training courses for Italians.

Services

≈ Organisation of Work Placements

We provide Work Placements according to the trainees' CVs, their previous professional experience and their language skills. We provide definition of Memorandum of Understanding and learning agreement, assessment of learning outcomes and training counselling following the ECVET procedure.

≈ Organisation of Professional Visits and Seminars

We organise Professional Visits and Seminars for teachers, trainers and people employed in the training environment.

≈ Welfare, Tutoring and Follow Up

We welcome all our participants by providing them with a Welcome KIT on arrival, organizing a Welcome Meeting and City Tour on the first day and we guarantee 24/7 personal and professional support, thanks to our specialised staff. We organise first day introductions to work placement companies and fortnightly monitoring meetings with participants, to ensure that the whole experience is continually monitoring and assessed. The whole experience is assessed through special tools: Participant Handbook, Company Handbook and Skills Portfolio.

We also provide Europass Mobility Certification and Final Reporting concerning the whole experience.

≈ Italian Language Course

Language courses are taught by native speaker teachers specialised in teaching Italian as a Foreign Language. The teaching method is based on communication. Students actively exercise the four fundamental functions of the language: listening, speaking, reading and writing. Particular attention, however, is given to conversation, to develop an increasing capacity to express himself and communicate in Italian from the beginning of the course.

≈ Accommodation

Participants are usually accommodated in fully equipped and comfortable flats shared with other beneficiaries. Participants can be also accommodated in hotels (usually for short stay programmes).

Only one word can define my experience in Italy: Happiness! Teresa - Spain

≈ **Maintenance/Pocket Money**

Participants accommodated on a self-catering basis receive weekly pocket money to cover food costs. Participants staying in hotels are provided with full board accommodation (3 meals / day).

≈ **Transfer to/from Airport**

We organise the transfer by private bus or taxi at the participants arrival and departure. The nearest airports are Rimini and Bologna, but we can also offer other alternatives.

≈ **Local Transport**

We provide participants with a weekly or monthly transport pass.

≈ **Cultural Activities**

We organise a wide range of visits to the most important cities and monuments in the area (i.e. San Marino, Ravenna, Urbino, Florence and Venice).

≈ **Certificates**

At the end of the programme, Sistema Turismo issues both a language course and a work placement certificate. Also a certificate signed by the hosting company is given to the participants. If the project requires us to follow the ECVET procedure, we provide all the documents requested for the assessment and Europass Mobility Certificate

≈ **Europass**

Sistema Turismo cooperates actively with the sending organisation in issuing the Europass Certificate.

≈ **Final Report**

At the end of the programme, we prepare a final report containing information about the project (work placement companies, professional visits, evaluations, pictures, etc...) for the sending organisation.
